Online Biography Workshops and Training**Application Form**

Name/s: _____ Surname/s: _____

The following applies only if you wish to enrol for the Biography Training Program.

My intention is to participate in the full Online Holistic Biography Work training process, including –

- One recognised Foundation Workshop (4 days)
- Preparing my Life Chart as indicated during the Foundation Workshop
- Three subsequent Core Modules
- Nine online Theme Modules
- Six Training Sessions
- Three Projects

The training qualifies you to offer **Biographical Consultations/Biographical Coaching** (not Biographical Counselling). You will be able to use biographical theory and methodology in working one-to-one, with groups, or in running workshops.

The training follows guidelines developed by the School of Spiritual Science at the Goetheanum (Dornach, Switzerland). The training does not qualify graduates to run their own Training Program in Biography Work.

After successful completion of all Modules and Projects plus participation in the training sessions participants receive a Certificate for Biographical Consultancy in Holistic Biography Work.

Further conditions for participation on the training are –

- Completing an enrolment process and acceptance after an intake interview.
- Completion of all Modules and Training components as listed above.
- Preparedness to work on one's own biography and share authentic biographical experiences.
- Relevant qualifications and/or experience.
